(Conditions apply) explained;

10% discount on your first weekly or fortnightly clean upon signing up to our Newsletter, refers to your ongoing regular clean price.

Discount does not apply to Initial cleans, Spring cleans, Carpet cleaning, Window cleaning, Solar panel cleaning, or any other cleaning provided other than the regular weekly or fortnightly clean.

An initial clean is performed before any regular weekly or fortnightly clean to bring your home up to a standard which your cleaner can maintain, and therefore does not fall under the 10% discount offer.

For example if your initial clean is \$150 but your ongoing weekly clean is \$100 then the discount is applied to the \$100 (10% of \$100 equals \$10 discount) on your first regular clean.
